Who gets the most out of Launch!™?

Managers who benefit most:

- Currently have direct reports. Some have years of experience, others have very little.
- Are self-motivated toward their own development.
- Are humble and willing to try new things.
- Are reliable to complete online work and show up for Learning Labs.
- Have sufficient bandwidth to give about 2.5-3 hours per week to coursework, Learning Labs, and action plans integrated with their work.

What sectors are served?

We've had managers who oversee teams in these areas:

Construction, Engineering, Insurance, Accounting
Human Resources, Healthcare Sales, Non-profit,
Call Centers and more!

TESTIMONIALS

COLLECTED FROM SURVEYS

‘Launch was incredibly impactful for me as someone new in my career and for my seasoned colleagues alike. The material was easy to understand and the class sessions were captivating, informative, and fun to participate in. I would recommend this experience for anyone that's looking to advance their career with interpersonal management skills.’ -Em Tanko

“Incredibly helpful and impactful. Enhanced all my leadership skills, particularly self-awareness and communication. Being able to lead and communicate in meaningful ways is very important to me and the Launch class helped tremendously.”

“Best training for learning how to build a team. I not only learned about how to understand others, but also learned how to understand myself.”

“Launch taught me that I don't have to change my personality to be an effective manager, I can be true to myself and still be a great leader.”
-Mike Wroe

“Launch is an eye opening course. It helps create a visual of who you are as a manager and creates understanding of who you are working with to create a productive atmosphere.” -Whit Gulledge

“Launch is "Simply The BEST" I learned so much and even made some cool connections that have helped me in my position. The "Breakout Sessions" are so enlightening, down to earth and eye opening. The "Coaching Sessions" are very encouraging. I'm so glad I was able to take advantage of the opportunity.”

“I truly had an amazing experience and I'm thankful for it. The content, my cohort, AND the Instructor, Perry Anne, were all impactful. Perry Anne is an exceptional communicator, I look forward to working with her in the future.”

“Launch introduced me to management tools and processes to grow your team and yourself to be high performers. The key takeaways for me were managing to personality types, asking open ended questions and strategically addressing performance gaps.” -Thad Carroll
